Proposed By-Law Changes:

**ARTICLE IV - ELECTIONS**

(2) To ensure that each member votes only one time, an identification check will be made at the official election site. Any member who has sent in an absentee ballot will be given the choice to **contact the President of the Corporation prior to the tally of votes to** tear up the absentee ballot and allowed to vote in person. If it is determined that a member has voted more than once, all ballots completed by that person shall be considered null and void.

Check "yes" to approve or "no" to not approve.
